West Seattle Golf Course

4470 35th Ave. SW • Seattle, WA 98126

Seattle Parks and Recreation invites you to join in the second public meeting for the new West Seattle Golf Driving Range. The design team and Parks staff will be on hand to answer questions and take your input about this project which is identified in the Golf Master Plan. <http://seattle.gov/parks/projects/docs.htm#plans>

Last year, the community participated in developing the Golf Master Plan at a series of meetings held throughout the city. The first Master Plan element to be constructed will be a new driving range at the West Seattle Golf Course.

Whether you are hearing about this for the first time, or are already actively involved, we encourage you to come to the meeting and learn about the next steps for this project located at the West Seattle Golf Course, 4470 35th Ave. SW, Seattle, WA 98126.

Parks hired R.W. Thorpe & Associates, Inc. as the lead consultant for the project with OB Sports team members as key subconsultants.

Funding for this project is provided by 2010 General Obligation Bonds.

We look forward to meeting you, and encourage you to join in this meeting.
